

# 1. Wild Bill's

When only the best beef jerky will do, Wild Bill's is the answer. This stuff is so exceptional that it's not even fair to compare it to any other jerky. It's truly in a league of its own. Every other brand of beef jerky tastes like a second-rate knockoff when judged against Wild Bill's. That may sound hyperbolic but it's not.

This brand started inside of a butcher shop in Pennsylvania in 1955. Their meat expertise is obvious, as the quality of their meat will blow you away. Although everything they sell is great, the best of the best is their **Hickory Smoked Beef Jerky**. This jerky is made inside of a genuine smokehouse where it's hung from rods and smoked over real wood. While their beef jerky isn't cheap, Wild Bill's is the only brand you'll ever buy if quality is what is most important to you.

One pro tip: consider storing your Wild Bill's beef jerky inside of a glass mason jar to keep it fresh. Even if you eat it days later, it'll still have the same unbeatable taste.
